Brief introduction about Stack Overflow
Founded in 2008, Stack Overflow is the largest, most trusted online community for anyone that codes to learn, share their knowledge, and build their careers. More than *50 million* unique visitors come to Stack Overflow each month to help solve coding problems, develop new skills, and find job opportunities.

Dataset context
Each year, Stack Overflow askes the developer community about everything from their favorite technologies to their job preferences. Over **90,000** developers took the 20-minute survey in January 2019.

Dataset content
This 2019 Developer Survey results are organized on Kaggle in two tables
